

CITY COUNCIL WORKSHOP

AMENDED LAND USE PROCEDURES ORDINANCE

Monday, July 12, 2010

Mayor Cassinelli called the workshop to order at 5:03 p.m. Councilmembers Jensen, Chin, Marshall, Greene and Forner were present. Mayor Cassinelli and the City Council met to discuss correcting land use regulation conflicts and inconsistencies, and to consider reassigning decision-making authority on development permit applications to simplify the process and reduce costs. The mayor informally polled the council regarding going forward with the process, including hiring a hearing examiner. Jensen said he did not want a hearing examiner, Chin was 50/50, Marshall was open to continuing the discussion, Greene was in favor of continuing the discussion and Forner was in favor of continuing the discussion. No action was taken. Another two-hour workshop will be scheduled in August. Mayor Cassinelli adjourned the workshop at 6:04 p.m.
