

## **CITY COUNCIL WORKSHOP**

### **Water/Sewer Rate Study**

**Tuesday, March 15, 2011**

David Jensen called the workshop to order at 10:07 a.m. at the Community Building. Council members Forner and Marshall were present. Elaine McMillan, Cathi Read, Don Berger, Skip Rand, Doug Ross and Gail Moore were present. Mayor Cassinelli arrived late. Skip discussed the state revolving loan fund applications that had been submitted. Councilmember Marshall requested an update on filters #1 and #2 at the water plant to understand why a new filter was not included in the applications. Skip then discussed the various special circumstances that would need to be addressed in the new sewer rate structure. It was decided that the Treasurer would conduct a survey of the various accounts to determine unique sewer discharge circumstances. The next workshop would not be held until the data is compiled. Mayor Cassinelli adjourned the workshop at 11:45 p.m.
