

CITY COUNCIL WORKSHOP

Water/Sewer Rate Study

Tuesday, March 8, 2011

Mayor Cassinelli called the workshop to order at 10:09 a.m. at the Ilwaco Fire Station. Council members Forner and Marshall were present. Elaine McMillan, Gary Miller and Gail Moore were present. Elaine went over the sewer fund budget forecast and the asset inventory projections. Additionally, the build up of reserves was reviewed and the potential new rate structure. Water consumption was discussed as well as the large sewer dischargers identified by Skip Rand. The council would like Skip to provide possible ways of billing Ilwaco Fish and A-1 Redi Mix which are likely not discharging sewage based on the water consumed. Mayor Cassinelli adjourned the workshop at 12:05 p.m.
